

Skylight Range

The Skylight range brings the design solution avoiding polished concrete floors that often crack and need maintenance. This has the look with a easy to care lappato glaze finish providing a crisp minimal look.

You can even carry same look outside to patio and deck areas with the Antislip version.

Skylight White
Lappato 600x600mm
Antislip 600x600mm

Skylight Brown
Lappato 600x600mm
Antislip 600x600mm

Skylight Antracite
Lappato 600x600mm
Antislip 600x600mm
